**Stakeholder Management Director**

Under the supervision of the Director General, the Director will be responsible for managing existing members relationships and work to expand new membership and achieve a constant and fluid working relationship with National Committees and other WPC Energy stakeholders, including other likeminded industry associations and organisations.

The requirements for this position are the following:

- A knowledge and understanding of multilateral institutions like WPC Energy.
- Experience in the energy industry.
- Expertise dealing with diverse stakeholders in multilateral institutions and able to show relationship building and diplomatic skills.
- Experience on working in an international environment and sensitive to multi-cultural settings.
- Availability to travel frequently on an international basis.
- Must be fluent in English although additional languages would be of benefit.

The position will be based in London. WPC Energy operates a hybrid working environment, so applicants do not have to be resident in the UK. The offer of employment will be competitive with international industry standards.

Resumes should be sent in complete confidence to newsmd@wpcenergy.org by 14\(^{th}\) June 2024.

London, 23\(^{rd}\) May 2024

WPC Energy is an inclusive workplace and as an equal opportunities’ employer, we are committed to promoting equality of opportunity to all applicants for this role.
